

UNIVERSAL ALTRONIC GAUGES REPLACEMENTS FOR OLDER ALTRONIC AND FW MURPHY® PRODUCTS

- Universal Tach/Overspeed and Hourmeter
- Universal 2-point Temperature Gauge
- 3 gauges replace 25 former Altronic gauges and 10 former FW Murphy® gauges
- Suitable for use on gas engines and other critical rotating equipment

Maintaining a long tradition, Altronic has kept its digital speed, hours and temperature gauges up-to-date and available.

The revised DTHO-1201/3201 series replaces all former Altronic and FW Murphy® tachometers and hourmeters.

The revised DPYH-1379U universal 2/9-point temperature gauge replaces all former 4-1/2" digital 1-point and 2-point temperature gauges from Altronic and FW Murphy®.
